

Using The New 1800WxBrief.com

Come spend an evening with an expert who will teach you how to use all of the new amazing free services from Lockheed Martin on www.1800wxbrief.com. Did you know you can activate and close flight plans by text message? The new site includes that and cool to a you pick the best altitude and time of flight and a much easier to read weather brief. Every pilot and CFI must learn about these tools!

Directions: Airport Commission Room (from Back Entrance) <https://www.socalpilots.org/web/SCPilots/default.asp> There is a modest fee for this event to support SoCal PA, please refer to <http://www.socalpilots.org> for details.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
